GRIP's 23rd Annual Harmony Walk  
October 10, 2009

GREATER RICHMOND INTERFAITH PROGRAM  
GETTING A GRIP ON HOMELESSNESS

OUR FAITH,  
OUR RESPONSIBILITY,  
OUR CHILDREN...

Founded in 1966, GRIP is an interfaith, multiracial coalition of congregations and secular partners working together in mutual respect to carry out a deeply held commitment to heal the world around us.

Uniting people, beliefs, and actions, GRIP provides advocacy and education to uproot the causes of injustice and inequity, while also providing critical direct services to hundreds of homeless and hungry men, women, and children every day.

Supported by our wide base of volunteers, GRIP operates the Souper Center Kitchen, providing free lunches to anyone who asks, every day; the West County Resource Center, a one-stop multi-service center providing free meals, showers, laundry & phone facilities, and case management services; the Family Housing Program, offering emergency and transitional housing; and the Permanent Housing Program for chronically homeless, dual-diagnosis residents.

Greater Richmond Interfaith Program  
165 22nd Street, Richmond, CA 94801
