

Dear Community Partner,

Each year, hundreds of friends, families, community members, local businesses, congregations, corporate and media partners, as well as political figures gather together to raise awareness of hunger and homeless issues that families in our communities are faced with everyday! This year, on Saturday, October 9, 2010, at the Civic Center Plaza in Richmond, once again they will join us for the **24th Annual GRIP Harmony Walk**.

Rev. Paul Schulze
Emeritus

Arthur J. Hatchett
Executive Director

For one day and 3.5 miles, you will have the opportunity to dramatically impact the lives of over 15,000 homeless individuals and families in Contra Costa County. By participating in the Harmony Walk, you'll join GRIP in our efforts to provide the programs and vital supportive services that help them sustain faith and hope in their lives and become self-sufficient! Our goal is to raise over \$200,000 this year and we would like you to take the first step with us!

As a GRIP Community Partner/Service Provider Partner, we would be delighted for you to support the Harmony Walk with a Vendor Booth. All proceeds from the Harmony Walk will fund our Family Housing and Supportive Services Program which includes 75 beds of emergency and transitional housing, the Souper Center which provides 3 meals a day to shelter residents and a free hot noon-day meal daily to the homeless and hungry 365 days a year, as well as the Resource Center which provides any unsheltered individual and families comprehensive case management and wraparound supportive services, training and treatment on-site or provided by referral to our many partner agencies.

Attached you will find a Vendor Booth Application. Please complete and fax to (510) 233-7127 Attn: Harmony Walk or mail to 165 22nd St., Richmond, CA 94801, Attn: Harmony Walk. If you would like more information or have questions regarding vendor booths, please call Anne Hause at (510) 527-2830. If you are interested in other Sponsorship Opportunities, please contact the GRIP Development Director at (510) 233-2141, ext. 304.

Thank you for your support and we look forward to your participation in the Harmony Walk!

Sincerely,

Anne Hause
